

Quality Policy Statement

Bonaprene Products Ltd are committed to meeting customer, legal and ISO 9001 requirements

We aim to supply quality polyurethane products in a controlled, well planned and consistent manner.

We monitor our performance by collating and analysing relevant data, including customer feedback, in order to generate continual improvements, to enhance the effectiveness of the QMS and the business processes

Relevant Quality Objectives have been set and they are regularly reviewed at management meetings throughout the year.

Our employees are fully aware of their roles and responsibilities within the quality structure and their contribution in ensuring that customer requirements are consistently met.

The quality and business performance is communicated to all those concerned and feedback from staff is openly encouraged via our 'Open door' management approach.
